Dear Sirs

**NHS South West London Integrated Care Board's Mental Health Investment Standard compliance statement for the year ended 31 March 2022**

All ICBs must plan to achieve the Mental Health Investment Standard in 2021/22 and ICBs must spend greater than or equal to the 2021/22 target spend number provided by NHS England.

As the Chief Executive Officer of NHS South West London ICB I am responsible for the preparation of the Mental Health Investment Standard Compliance Statement (the "Statement") for the year ended 31 March 2022 and for the financial information that forms the basis of the calculation on which the Statement is derived. This includes the design, implementation and maintenance of internal control relevant to the preparation of the Statement to ensure that mental health expenditure is correctly classified and included in the calculations and that the Statement is free from material misstatement, whether due to fraud or error.

To the best of my knowledge and belief I have properly discharged my responsibilities, with regard to reporting against the Mental Health Investment Standard. NHS South West London ICB considers that it has complied with the requirements of the mental health investment standard for 2021/22. The 2021/22 target spend was £253,489,000 and actual spend was £260,606,993.

Yours faithfully

Sarah Blow

Chief Executive Officer of NHS South West London ICB
